

# ATTENTION PHARMACY PROFESSIONALS

**NEW reimbursable amount on all Ascensia's**

**CONTOUR®NEXT Blood Glucose Meters**

**EFFECTIVE: AUGUST 1, 2023**

## ADJUDICATION INSTRUCTIONS:

To adjudicate any of Ascensia's CONTOUR®NEXT blood glucose meters, simply enter the following information into your pharmacy software for each Ascensia meter and training fee claim:

| Carrier #: | Group #: | Client ID:                                                                         | Issue #: |
|------------|----------|------------------------------------------------------------------------------------|----------|
| 80         | 500000   | Meter serial # as it appears on the meter warranty card, excluding dashes & spaces | 01       |

**Drug Cost:** Enter the "Total Reimbursement" amount according to the table below

Ensure your pharmacy system is updated with the correct pseudo-DIN and pricing information for the following Ascensia meters:

| Meter             | Pseudo-DIN | MSRP    | Training Fee | Total Potential Reimbursement |
|-------------------|------------|---------|--------------|-------------------------------|
| CONTOUR®NEXT GEN* | 55555564   | \$33.00 | \$12.00      | \$45.00                       |
| CONTOUR®NEXT ONE* | 55555559   | \$33.00 | \$12.00      | \$45.00                       |
| CONTOUR®NEXT EZ*  | 55555554   | \$33.00 | \$12.00      | \$45.00                       |

\*55555557 : Sample / Free of Charge meters (Training Fee Only)
